**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic.Net over ATT for double the bandwidth for the same price. Let me repeat that:
Double the bandwidth for the same price -- on the same line. In addition to more bandwidth is
superior service.

I am bootstrapping a software business. Please allow me and other software entrepreneurs compete
with the EU which has even more bandwidth than here in the US where the Internet was invented.

Thanks.
